

The Social Work Scoop

A Message from the Chair

Dear alumni, colleagues and friends,

It is with sincere gratitude that I share this message with you as we anticipate an exciting new year. I am grateful for the remarkable students, faculty, and staff here at UND, and for our incredible alumni, colleagues and friends throughout North Dakota, the region, and beyond. It has been a long-held dream of our department to launch an electronic newsletter, and, with support from our College home (the College of Nursing and Professional Disciplines), I am pleased that you are viewing the first of many electronic communications that we hope will keep us all better-connected in our fast-paced world. This issue features several stories of faculty, staff, and alumni successes, and I hope after reading the newsletter, you will be as proud of the UND Social Work Department as I am.
